Night of Music, Ballet and Modern Dance in Westhampton Beach, NY

The [Westhampton Beach Project](#) is back for the 3rd annual free to the public event that will bring a combination of music, ballet and modern dance. The event is planned to showcase emerging talent from around the world and play a tribute to Frank Sinatra.

The two-day event will be hosted on the **Great Lawn on Main Street** in Westhampton Beach, NY from **July 30th to 31st** beginning at 8:30 pm.

About the Westhampton Beach Project

The annual project was founded by Steven Colucci who is an artist and President of the Musical Mime Theater. According to the Westhampton Beach Project website, as a local Westhampton resident, Colucci:

" has made it his personal mission to expose the younger generation to some of the art forms he has spent so many years of his life dedicated to studying and mastering.

To support the mission, during this year's event, the guests will be able to make a charitable donation of \$25.00 and up and in exchange will receive a VIP seat on the Great Lawn for the event.

According to the organizers, all proceeds will go towards **The Musical Mime Company**, INC which is the not-for-profit organization dedicated to assembling artists in all areas of creativity and collecting information on corporal movement and furthermore on art in general.

"After a devastating year for the arts community I knew that it was time to launch The Westhampton Beach Project event, which has been brewing in mind for the last few years. I wanted to provide all these amazing performers with a real platform to showcase their undeniable talents after a year of devastation to our community of dancers, artists and singers," said Colucci.
